SUPPLEMENTARY INFORMATION:

Title: TreasuryDirect

OMB Number: 1535-0138

Abstract: The information collected in the electronic system is requested to establish a new account and process any associated transactions.

Current Actions: The Bureau of the Fiscal Service (Fiscal Service) offers Americans the opportunity to buy and hold Treasury securities directly with the Department of the Treasury. The retail program is geared toward small investors, most of them individuals who buy savings bonds and marketable Treasury securities. Investors create and manage electronic accounts via the Fiscal Service TreasuryDirect system.

Fiscal Service is exploring a strategy to reach new customers, develop new and innovative product delivery streams, and increase the number of available product offerings. In support of this strategy, Fiscal Service will introduce the Treasury Retail Investment Manager (TRIM) that will eventually replace the current TreasuryDirect system. TRIM will be more flexible and responsive to changing business needs for delivering digital investing needs.
